

Discover Bernhardt's latest innovations in flexible packaging and packaging machine solutions at the FachPack trade show from 24 September until 26 September.

Our team will be pleased to welcome you at the FachPack trade show in Nuremberg the 24-25 and 26 September. It is the opportunity to exchange on our flexible packaging solutions and tailored packing machines that meet the needs of the most demanding manufacturers in the agri-food, healthcare, pharmaceuticals and chemicals sectors.

The FachPack in Nuremberg is a trade fair for packaging, technology, processing and logistics innovations. The previous exhibition, in 2016, attracted more than 1 500 exhibitors and 41 000 trade visitors. Moreover, the Forum PackBox composed by a varied program of 41 lectures and discussions allows manufacturers in various sectors to discover, share and innovate around the main industrial problematics.

For over 60 years, Bernhardt has applied its expertise to two complementary aspects of the packaging sector: the design of flexible packaging and the manufacture of packing machines. Our project managers and design department place all their experience at your disposal throughout your project to offer you the best solution in keeping with your specifications. Our high barrier packaging and packing machines are designed to maintain the integrity of your products between the place of production and their place of use. See you soon Hall 9 Booth 632!
